Chapter 1 by Sam I am

Sam and Laura were best friends for the longest time. They barely argued and had fun all the time. They helped each other through thick and thin. Their friendship was the strongest there ever was. No one could ever break it if they wanted to. At least, until today.

Laura had been dealing with a lot of shit here recently and so she went to Sam. Sam tried her best to help her and spoke the truth. For some reason, Laura got mad at her and hurt her. Pain seized Sam's body and heart, making it impossible to smile.

The next day, she tried to talk to Laura but it only got worse. Sam deals with anxiety and depression already and when Laura randomly stops talking to her, she gets anxious and depressed. The only two things she can feel now are loneliness and emptiness.
